Without you as my teacher,
class would be crumb-y!

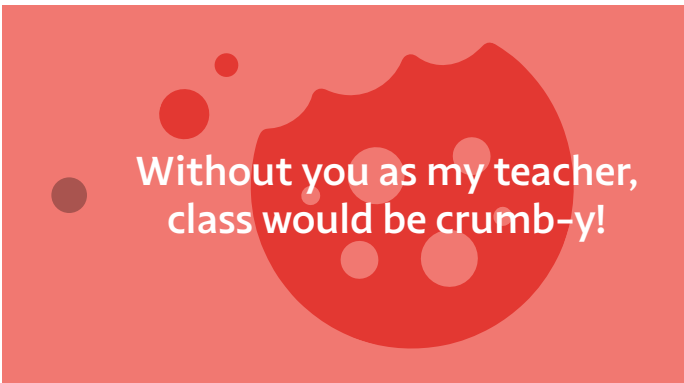

Without you as my teacher,
class would be crumb-y!

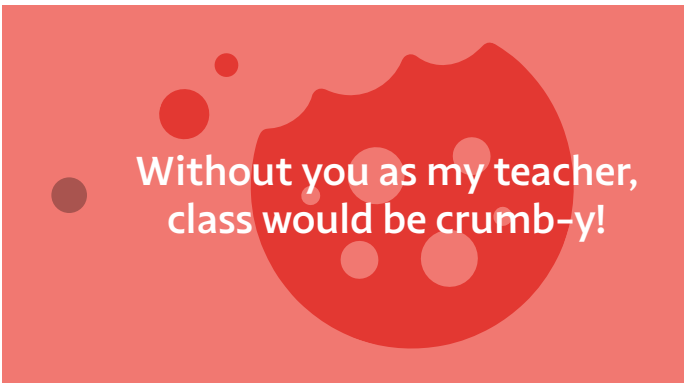

Without you as my teacher,
class would be crumb-y!

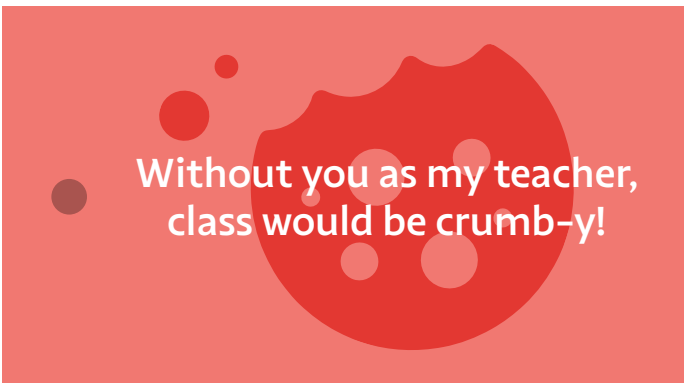

Without you as my teacher,
class would be crumb-y!

Without you as my teacher,
class would be crumb-y!

Without you as my teacher,
class would be crumb-y!

Without you as my teacher,
class would be crumb-y!
